"Respect your fellow human being, treat them fairly, disagree with them honestly, enjoy their friendship, explore your thoughts about one another candidly, work together for a common goal and help one another achieve it. " --Bill Bradley

From the Headmasters Desk...

It is always a pleasure writing an introduction to the school's Yearbook. Reflecting back over a busy school year is always a useful exercise for a Headmaster. It emphasizes how many activities and events take place during the 190 days that we are together. It also illustrates how diverse Saltus' extra-curricular program is and how involved the staff is in it.

The 2010-2011 school year will be remembered for many reasons, but mostly for the theme which was 'Respect'. Saltus recognizes that to achieve its mission, the environment it provides must be one which demonstrates respect for all members of the school community. The 'Dare to Care' program held in early October for all students, staff and parents focused on the detrimental effects of harassment and bullying in a school and the workplace. For one entire week, it provided students the opportunity to share concerns with their classmates and also the staff. As a result, 'Respect' was highlighted at assemblies, music concerts and Founder's Day.

This year will also be remembered favorably for Saltus' first participation aboard 'Spirit of Bermuda'. 28 boys and girls and two staff spent a week in local, but rough, waters experiencing some of the challenges associated with operating a sloop of 'Spirit's' shape and size. From all reports, it was a fabulous learning and bonding exercise for those involved.

One of the best things about Saltus Grammar School is that it enrolls students of all ages. On any one school day, I can attend a Lower Primary assembly and hear our mission statement sung enthusiastically by Year 2's, then attend an Upper Primary assembly to hear the results of the Green Team's 'Trash Audit' and finally attend a debating tournament of Year 10 students and end the day at a Secondary Department Drama production. Weekends are the same with Saltus' Jazz and Wind Bands performing in various high-profile functions around the island.
Every year, Saltus students win dozens of top awards. This year was no exception. Emma Franklin distinguished herself and the school by winning Bermuda's Junior Female Athlete of the Year Award, as did Nicholas Bergquist who won Bermuda National Trust, Young Environmentalist Award. Daniel Andrade won the Denton Hurdle Award, Arielle De Silva won the coveted Perseverance Award at the Outstanding Teen Awards Ceremony and Jackson Spurling and Sam Wehmeyer won Young Citizen Awards.

"Service to others" is one of three pillars on which the school's mission is based. Saltus students, staff and parents supported a wide range of charities, including Red Cross (local and global), Cornerstone Foundation's feeding program for children in Haiti, Salvation Army, Open Airways, PALS, Diabetes Association, Sunshine League Children's Home, Reading Clinic, St. Baldrick's Foundation, Children International and Bermuda Cancer & Health Centre.
Recently, Primary students and staff bid farewell to Mrs. Susan Furr and wished her a happy retirement after many years of dedicated service to Saltus. With grandchildren, Marcos and Gabby, attending the school, I am certain that she will still visit the campus often.
All in all, it was a busy, but productive year which this edition of "The Martlet" will reveal.

Sincere thanks to Yearbook Advisor, Fiona Murdoch and her committed Editors, Peter LePage and Amanda Lohan and her skillful photographer, Cynthia Barnes, for producing such a magnificent publication for us all to enjoy.

Welcome to Saltus Cavendish Lower Primary

Saltus Cavendish Lower Primary Staff 2011

Head of The Primary Dept :
Mrs. Susan Furr: retiring after 20 wonderful years.
Happy retirement! love your Cavendish Family xox

Class moms - thank you!

Our amazing custodian- John
thanks for all your hard work! love your Cavendish Family x

Staff that are leaving us:
Krystle Paulino, Lynn Norman, Amanda Lohan & Zoe Walsh
Thank you for your enthusiasm and dedication. You will be missed greatly! love, your Cavendish family xox

Our awesome music teacher - Deanna Friesen.
You brought us harmony. You are missed greatly! love your Cavendish Family xox

To all the children that I have taught and trained, you have brought me much joy and contentment. I will hold the memories of our times together close to my heart. love always,
Miss Petty / Mrs. Lohan

ST BALDRICKS

UPPER PRIMARY STAFF

HEADS OF HOUSE & MONITORS

Good Morning. Today I have the pleasure to talk to you about the first half of the academic year. When we all came back in September, we all had new teachers and classmates. Even some of the teachers had different positions, but all of us were excited and ready to learn. The first thing that happened was the swim trials for the BSSF inter- school swim meet. The A team came in 3rd place and the B team placed in 2nd, personally, I think that's a very good job. Also in late September all the afterschool clubs began like drama, indoor games, chess, needlepoint and many, many more.

In October we had some special guests come in like Dare to Care. Dare to Care came to our school and taught us all about bullying and how to prevent it the week of October 18th to October 22nd . Furthermore we all gave in money for Tuberculosis cancer and all got rewarded with a grub day. Also during that week, we all had Parent/ Teacher conferences (I sure hope yours went well) and we also had the BSSF Primary Girls and Boys 6- aside soccer. For the boys we came in 2nd overall and for the girls we came in 1st place overall. In league play, the girls had one win and one loss, and the boys had a win, a draw, and two losses. Also, we had 3 boys go to the allstars to play for the East end, and those boys are Santze Burgess, D'Andre Wainwright and Neil Figureido. And finally we were all ready for our half term break.

After half term break it was already November. When we got back we had a read-a-thon supported by the reading clinic. A little deeper into November, all the afterschool clubs came to an end for that term. That very next day we had our annual Christmas shopping (where we buy gifts for our family for Christmas), and a grub day for Diabetes.

Next came December. Right there on the first couple of days in December we had Carols for All. Carols for All was wonderful with the wind band, concert band, orchestra, the Saltus Glee girls and more. We also had inter-house soccer for S5 and S6 girls, S5 boys and S6 boys. In addition, there was the S3 and S4's Christmas play called A Special Delivery. This play was about showing a post lady called Mrs. Walker what Christmas spirit really, truly is and all the different types of Christmas Holidays and Religions. The week after that, the S5's and S6's had our Christmas play called Surfing Santa.

This play was about a evil-doing toy producer called Bad Dude tricking Santa onto a holiday. Moreover there was the S4 girls and boys inter-house soccer. The final score for the inter-house soccer was that Saltus came in 1st, Darrell came in 2nd, Watlington came in 3rd place and Butterfield came in 4th place. And that was the very last week of the first term of the school year 2010-2011.

And finally, the last month of the first half of the year, was January. There wasn't much in January, afterschool clubs started again, we had our yearbook pictures taken (I really hope no one had a bad hair day on that day!), and we had the Front Street Mile. We had 9 students qualify for the race. For the girls we had Laura Hope who came in 5th, Ashley Irby who came in 6th, and Rebecca Harrison in 10th place, Macy Aicardi placed 11th, Jessie Marshall who placed 14th and Isabelle Dutranoit in 17th. For the boys we had Matteo Dill placed 4th, Max de ste Croix came in 13th , and Sam Winn in 19th place.

Those were the first 5 amazing months of the 2010- 2011 academic school year. I hope you enjoyed listening to our memories of the first half of our school year. Later on Alexander will be telling you about the remainder of the academic year. Thank you for listening.

Nicole Mullen (Head Girl)

Thank you Nicole for that interesting summary of the first half of the academic year. I am going to now take you through the second half of the year. It's been a busy time with lots of sporting activities and other events to talk about. In February, the interhouse cross country was held. This consisted of two and a half laps of the Saltus field for the 6's. Saltus house won this event. In March, a majority of the year 6's left for an educational trip to Washington. The trip lasted 5 days and was full of exciting activities such as a visit to the Smithsonian Institute. I asked a few people what they liked and they said the best part was shopping at Wal-mart. The ones who stayed built some very impressive Bermuda style kites and we managed to fly a few of them - it's certainly not as easy to fly them as the shop ones though.

Moving onto April, this is when we had the open day. For the first time that I can remember we had a scavenger hunt where we had to find objects in each of the classrooms. That was fun although the 3's pirate clues proved a challenge. In the assembly hall, each year group displayed one of their projects. The 3's showed their family trees- it's amazing how many nationalities one year group can have. The 4's showed lots of imagination with their creative castles. We in the 6's made Adinkra cloths which tell stories through the use of symbols and originated in Ghana.

Also in April we had sports day. This year the scores were very, very close. The first count put Butterfield as the winner with 578 points and Darrell just one point behind. After several recounts however, the final result was Saltus winning with Darrell in second, Butterfield in third and Watlington in fourth. However given I am in Butterfield I was a bit disappointed moving from 1st to 3rd. At least we could be happy that Butterfield won the 5's and 6's division.

Now April was a busy month as there was also Earth Day when we did a survey to see how many different types of trash we produced in a time span of 3 days. We generated 12 bags of burnable substances, (like paper, cardboard etc.) 3 bags of plastics, half a bag of recyclable trash, 2 buckets of food waste and one bucket of compost. We are now trying to reduce our trash. In May the Math Olympiad was held at the Berkley Institute. I, along with 20 other Saltus contestants spent a couple of hours one Sunday afternoon doing math tests. Although it was hard, 11 of us managed to win a prize, which is a great achievement for Saltus.

In May, Saltus held it's annual Saltus to Saltus walk. The weather was great and most of participants completed the walk. Some of you may have noticed that there were hardly any 6's doing the walk. This is not because we are lazy but because it clashed with Samantha Warren's birthday and leaving the island party, which was a lot of fun.

At the beginning of June, we had Founders Day. This is when we commemorate the founder of our school, Samuel Saltus. We sang the school hymn in the field and listened to Samantha Tavares and the school band performing the Aretha Franklin song ' Respect' to reflect the theme for this school year. Then the secondary department raised money for their upcoming prom by selling snow cones which we all enjoyed. A couple of weeks ago we had our last major sporting event of the year - the swim gala. There were over 60 races and Saltus won overall in a close race.

That brings us to today, the last day of the year. For the 3's, 4's and 5's they'll be coming up a year but for the 6's it's an even bigger step as we'll be heading up to the senior school. It doesn't seem that long ago that I had my first day in the 3's. I have lots of fond memories of the good times I have spent at Saltus and we've all made lots of long lasting friendships.

I, along with several other 6's, will be leaving Bermuda this summer and we'll definitely miss our friends and the school. I'd like to thank all the teachers and fellow students, who have helped me along the way during my school life and made it such a fun time and of course I'd like to thank my parents for all their support as well.

I have especially enjoyed this last year given that I have been head boy and have always worn the badge with pride. I would like to pass on my best wishes to the new head students. Finally I would like to take advantage of this time to say goodbye to all of you here and wish you good luck with the future and I hope to see you again soon.

MUSIC REPORT

It has been a busy year for the music department. The various ensembles have performed throughout the year. Wind band was a delightful addition to the Upper Primary assembly on November 24th. Of course the holiday season was busy as usual. The S5&6 Choir and the 3&4 Choir were invited to perform on the steps of City Hall for the annual Tree Lighting Ceremony at City Hall on Friday November 26, 2010. The Wind Band participated in Carols for All on December 2nd. This has become a senior school event, but quite a few students from both the upper primary and senior departments play in Wind Band. This event was enjoyed by all. The year 3's and 4's did the production "Santa You've Got Mail." The two choirs also performed at HSBC on December 14th. In the midst of all of this activity the year 5's and 6's presented "Surfin Santa" on December 14th and 15th. Students also enjoyed listening to the Menuhin's Christmas Concert near the end of term.

The music department was happy to welcome Mr. Steve Miles in January as the new brass teacher. He came to the Upper Primary assembly on January 12 to do a brass demonstration to the great delight of students. Who knew that one could actually make music with a garden hose? The Bermuda Festival hosted several events for students. String players from the Upper Primary attended The East Coast Chamber Orchestra performance on January 21. The Wind Band attended IMANI Wind Quintet performance on January 27th. String Players also attended The Marion Anderson String Quartet on February 2nd. The Wind Band performed in assembly again on March 4th. On March 14th students enjoyed a performance by a visiting Handbell Choir. The Wind Band performed for Cavendish on March 23rd.

The summer term started with the Upper Primary Choir performing in the lower ring for the Ag. Show on April 14th. The Wind Band performed for the Open Airways Event in Victoria Park on May 3rd. The Three Department Concert was once again a success. The Wind Band, Upper Primary Choir and the Orchestra represented the Upper Primary Department and all performed very well. The Upper Primary with some of 6M at the microphones performed the School Hymn for Founder's Day on June 10th. The Orchestra played for the Prep. 2 visit to the Upper Primary Department on June 17th. Upper Primary students sang "Thank You Parents" for the parent volunteers during the last week of school. The Junior Orchestra was kept busy until the last week as they did a great job playing for prize day. All of the year 6 students performed "Fireworks" for prize day. The whole school performed "Do I Make You Proud" as a tribute for Mrs. Furr's retirement. Many of our students have taken music exams this year and obtained great marks. It has also been a pleasure to have many of our students performing in assembly. As usual it has been a busy year for the music department but definitely well worth the effort. With the continued support of the staff, parents and students a love for music will continue to flourish at the Upper Primary Department.

Grade 4 Pettit Class of 2011

S4 WHAT HAVE THEY BEEN UP TO?

Swimming
Saltus took part in the Primary School Swim Championships in October with the "A" team placing 3rd and the "B" team placing 2nd.

Soccer
Girls 6-a-side tournament was played in late October with the Saltus girls placing first overall. They played 6 games and won them all.
In league play, the girls had one win and one draw.
Boys 6-a-side tournament saw the "B" advance to the finals and finish 2nd.
In league play, they had a win, a draw and two losses.
Santze Burgess, D'Andre Wainwright and Neil Figureido were selected were all selected as All-Stars.

Front St Mile
Saltus had 9 students qualify for the Front Street Mile.
Girls were: Laura Hope (5th), Ashley Irby (6th), Rebecca Harrison (10th), Macy Aicardi (11th), Jessie Marshall (14th) and Isabelle Dutranoit (17th).
Boys were: Matteo Dill (4th), Max de st Croix (13th) and Sam Winn (19th).

Tag Rugby
Two girls teams and two boys teams represented Saltus at the Tag Rugby Tournament. The boys "A" and "B" teams were both 1st in their divisions while the girls "A" and "B" teams both placed 2nd.

Cross Country
Under 9 Girls team place 3rd with Jessie Marshall (S4) placing 1st overall.
Under 9 boys team placed 2nd overall
Over 9 girls team placed 1st overall
Over 10 boys team placed 5th overall.

Hockey
Two girls teams and two boys teams took part in the Interschool Field Hockey Tournament during the Spring Term.
The girls "A" and "B" teams both placed 2nd in their divisions.
The boys "A" team placed 3rd
The boys "B" team placed 1st overall in their division.

Track and Field
Finals results
Ashley Irby placed 1st in both the U10 girls 400m and 800m races.
Neil Figureido placed 1st in O10 Long Jump and 3rd in 100m.
Finlay Turnbull placed 1st in U9 cricket ball thow.
Joe Winn placed 1st in U9 boys high jump.
Matteo Dill placed 2nd in the O10 boys 800m and the Open Randy Benjamin Memorial Mile.
Kenni Thompson placed 2nd in O10 girls cricket ball throw.

Cricket
Saltus played 3 games resulting in a tie against West Pembroke, a win against Paget Primary and a loss against Warwick Academy. Moziah Selassie and D'Andre Wainwright were selected as All-Stars.

Softball
At the Co-Ed Softball tournament, Saltus defeated Somersfield Academy, Warwick Academy and West Pembroke to advance the finals where they lost by one run to Francis Patton Primary. The final score was 4-3 placing Saltus in 2nd place overall.

Mountain Bike Championships
Saltus placed 1st represented by Cameron de st Croix, Ross Cooper, Gareth Cooper and Jonah Davidson whose combined scores resulted in the overall win.

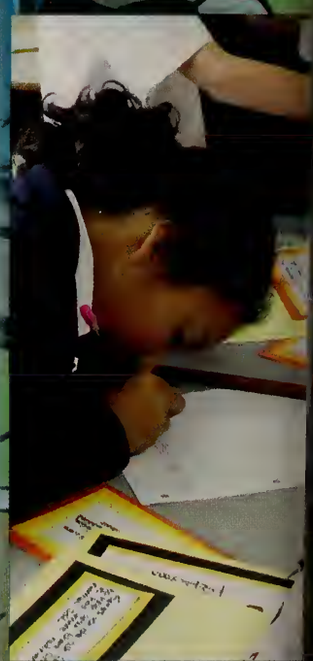
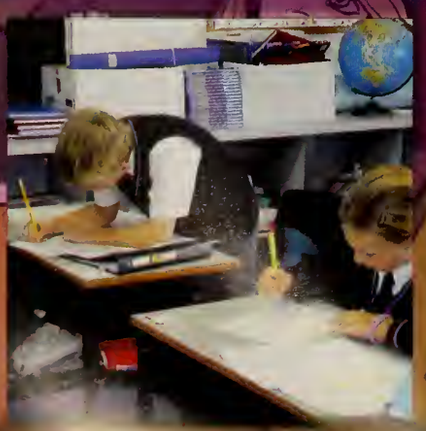
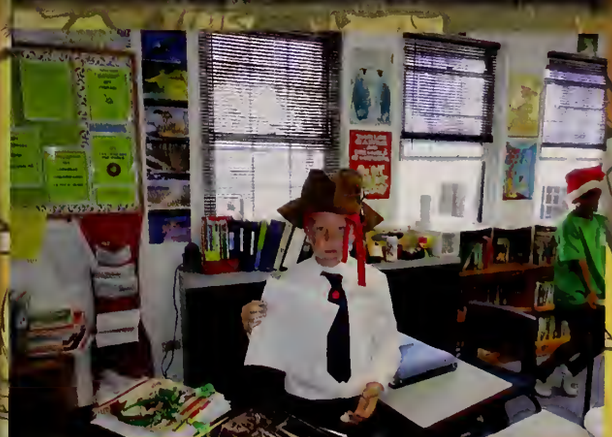
SIS UP, UP AND AWAY

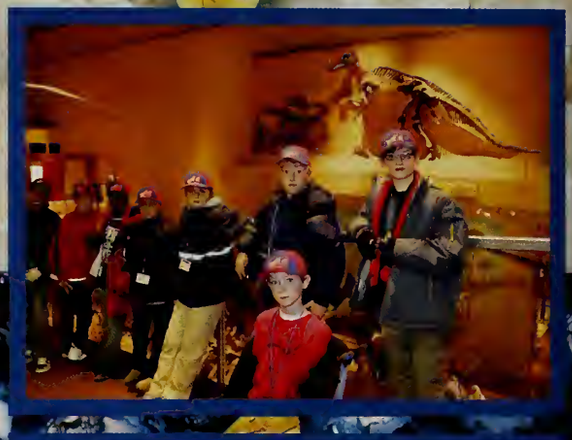


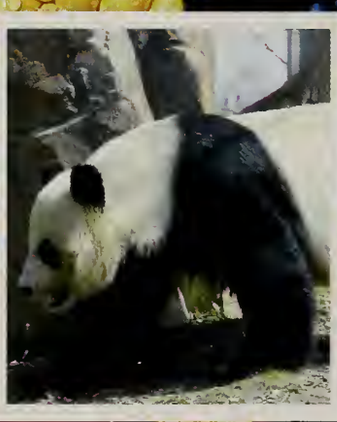


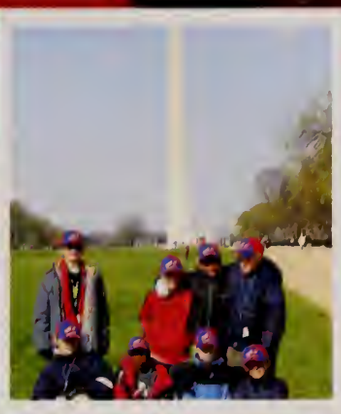


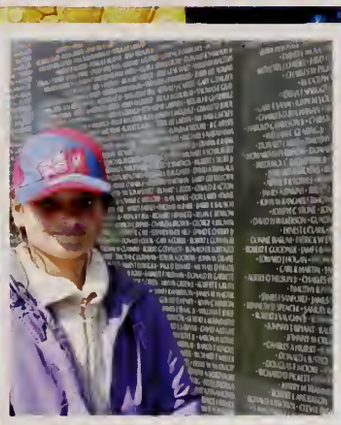
Marlette Darrell is retiring this year after many years of service to Bermuda's youth. We wish her all the best as she spends more time with her grandchildren.

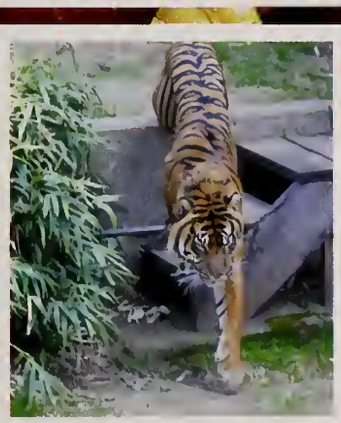
WASHINGTON
2011

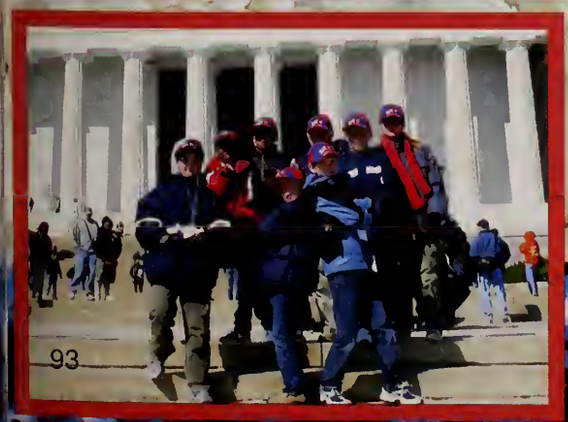


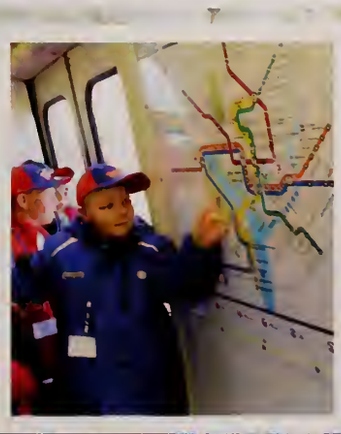












36 Year 6 students followed what has now become a Saltus tradition of going on a History trip to Washington D.C. and Virginia in March 2011. The students visited many of the historic monuments and memorials in the US capital, as well as enjoying many of the museums of the Smithsonian Institute and the National Zoo. With our own tour guide and coach we then travelled down to Virginia to trace Bermuda's historic link with Virginia at the living museums in Jamestown and Williamsburg and also learnt more about the War of Independence at Yorktown.
This year saw some freezing temperatures and even some snow flurries, but we were still able to have a wonderful time. As always, our students received many compliments from those we met in museums and restaurants and they were great representatives of Saltus. The student group was led by Mrs. Doughty and chaperones were Mrs. Furr, Mr. Allen (who came out of retirement to help us!) and first timers, Mrs. Fox and Mrs. Thompson.

Miscellaneous Images

Miscellaneous Images

There are many who help the school throughout the year; and the Upper Primary Department would like to thank you all. Due to the sharing of digital photography there are many contributors to the pictures you see in this section and I would like to thank them for their expertise. A special thank you as always to Cynthia Barnes for her tireless pusuit of school archival material.
Peter Le Page Editor UP Yearbook

Enjoy your Retirement Mrs. Furr!

This year, the Primary department said farewell to Mrs. Susan Furr who retired after 20 years at Saltus. Susan first joined the teaching staff at the Lower Primary in 1991, after a long career as part-owner and Head teacher of The Nursery School. In 1998, Susan was appointed Head of the Lower Primary and then in 2007, after restructuring, she became the Head of Lower and Upper Primary. During Susan's tenure, she saw the arrival of girls at Saltus, the steady growth in numbers and the redevelopment of the school, the introduction of the laptop program and the creation of the Foundation Year. These are but a few of the milestones she witnessed while she was here at Saltus.

Susan will be missed for her abundant enthusiasm, commitment and steadfast devotion to the school. We wish her well in her retirement and we hope that she will enjoy this special time with her family and friends.

Good Luck Susan, from the Primary staff!

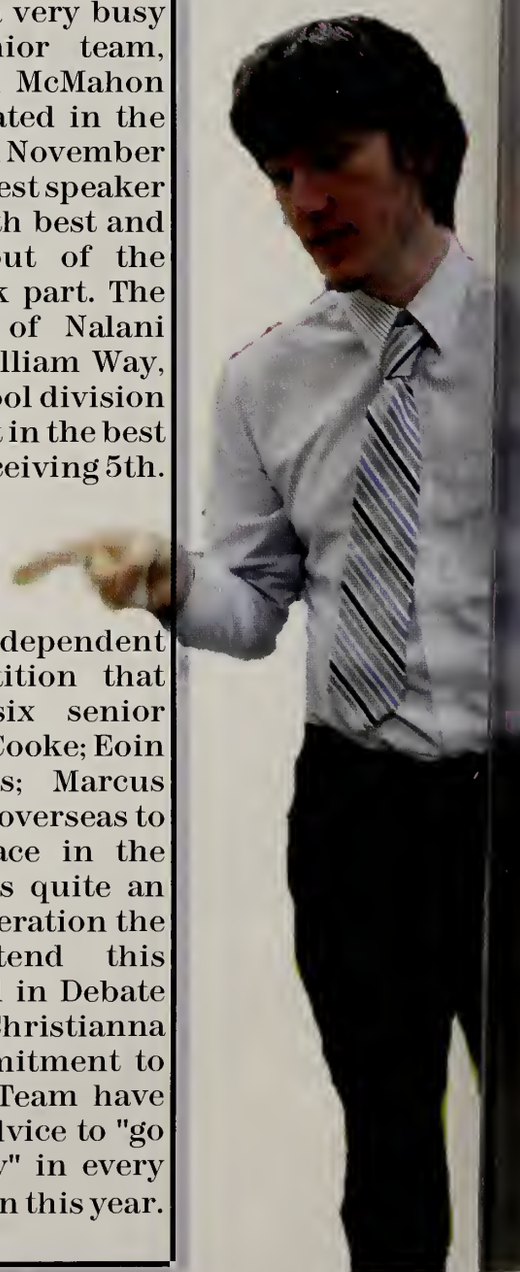
SENIOR DEPARTMENT

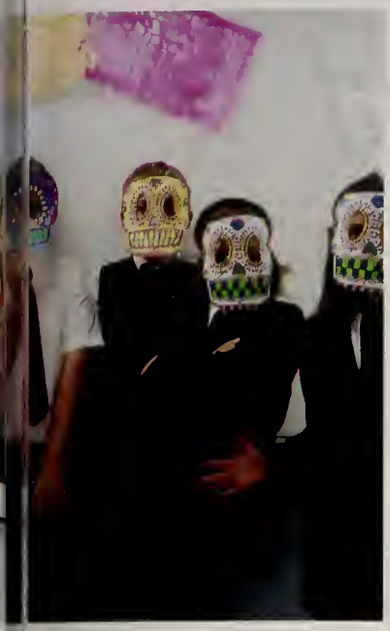
2010-11

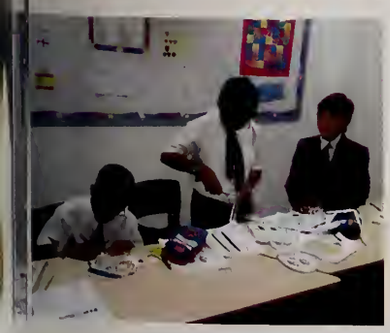
Debate and Public Speaking

The Saltus Debate Team have had a very busy and productive year. Their senior team, comprised of Arielle DeSilva, Eoin McMahon and James Mulderig, were undefeated in the National Debate Competition held in November of 2010. Eoin also placed 1st in the best speaker awards with James receiving the 4th best and Arielle receiving the 5th best out of the numerous senior debates that took part. The middle school team, comprised of Nalani Dowling, William Campbell and William Way, also won over all for the middle school division with William Campbell receiving 1st in the best speaker awards and William Way receiving 5th.

There was also a International Independent Schools Public Speaking Competition that Saltus participated in taking six senior members (Arielle DeSilva; Jasmine Cooke; Eoin McMahon; Kacee Morton Simons; Marcus Smith; Ciara Burrows) of the school overseas to participate. Eoin received 1st place in the extemporaneous category, which is quite an accomplishment taking into consideration the amount of students who attend this competition. The students involved in Debate would like to thank their coach Christianna Hiles for her dedication and commitment to training them. The Saltus Debate Team have definitely taken on their coaches advice to "go for the jugular and have no mercy" in every competition they have participated in this year.







Dia De Los Muertos

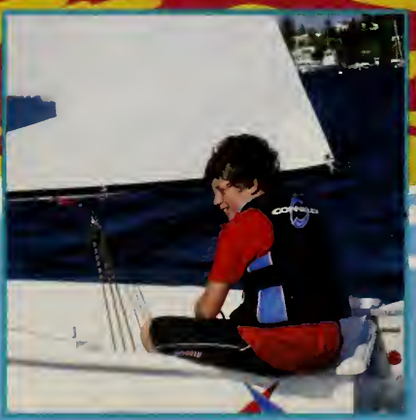
'Día de los Muertos', or Day of the Dead, is a Mexican tradition were the dead are remembered by family and friends. This festivity occurs from the 28th of October to the 2nd of November each year. This holiday is celebrated more than any other holiday in Mexico, even Christmas!

We celebrated 'Día de los Muertos' by listening to Mexican music, constructing skeleton figures, making masks, and even painting our faces! We also learnt that the symbol for the Day of the Dead is a skull, and much much more!

So remember, next time you book a trip to Mexico, try to make it for the Day of the Dead. It will be a trip to remember!

-By Tristan Narraway and Jessica Godfrey

This year a group of Saltus students between years seven and ten ventured out onto the ocean, under the supervision of Mr. Mahon and Mr. Wright, for the Saltus Sailing Club.



Saltus Sailors

Winter Term

Performing Arts Trip

New York , New York!

A city of lights, fashion, character and respectively most important: performing arts. This awesome city is one of the best experiences a student could imagine and Mrs. Maule was able to offer this to the middle and high school students of Saltus over the spring break. 23 students with 3 chaperones set off on March 24th, 2011 for the big apple to attend five musicals, one play, two workshops, various tours and sites around New York City. The group had the advantage of being able to stay in a hotel right on Times Square.

The trip was a hit with every single student and it was tons of fun. It was a great first experience in New York and for those who had visited the city before said it was a completely new and exciting experience.

French Trip

The adventure began as soon as 24 Saltus students boarded the British Airways flight to London Gatwick Airport. On our way to the lovely town of Nice, we saw the famous Monte Carlo Casino. We left Nice Airport on a coach, and drove a relatively short distance to Antibes, where we dropped off our luggage at the school that ran the programme La Centre International d'Antibes. On Saturday, we got to spend the morning with our host families. At lunchtime, we met with the rest of our school group and visited a fort and the Picasso Museum. On Sunday, we visited sports car filled Monaco all day! Wednesday was our last full day in the country, and so we took the train to Nice, which is a very big and popular city in France. On Thursday we made an early dash to the airport at about 6:30am (1:30am BDA) and flew to Heathrow and then HOME.

The exprience in Cote d'Azur is one that won't be forgetten.

Saltus Pride

Imagine this.

It's halftime, and the home team's cheerleading squad goes out into the court. Cue the music, but there is *silence*.

The girls stand there, the clock keeps ticking. Halftime is quickly running out and the embarresed cheerleaders beat a swift retreat. But wait! What is this, it seems that a makeshift squad of girls has made their way out onto the court and have stolen the halftime show!

This is exactly what the newly named **'Saltus Scarlets'** did, claiming the halfway time show in the name of Saltus Grammar School and school pride!

From the Adviser's Desk.....

"We must build a new world, a far better world - one in which the meanest citizen can feel respected." Harry S Truman

This year's theme of Respect has resonated throughout our halls this year, especially during the fall term's *"Dare to Care"* week. Both students and staff alike were reminded of how fragile our happiness can be within these walls of this institution and hopefully everyone took away life lessons and memories. The Yearbook should be for many, a happy walk down memory lane of this past year of 2010-2011; but for some, it has been a hard year. We have lost many members of our Saltus Family, but they will be remembered for many years to come. For the Graduates of 2011, I wish you all the very best and hope this book will become a cherished memory. I would espeically like to thank my SGY 2 Photography class who completed many pages, and in particular to Jasmine and Sarai for going the extra mile. Also to Sarah and Danny who gave up their summer to come into school to make sure the book was complete.

As always, this book could not be complete without the tireless effort of Peter Le Page in the Upper Primary, and Amanda Lohan at Cavendish. Amanda leaves us this year after many years of working throught her summer, pregnancies and maternity leaves. I cannot thank her enough for all her hard work and sacrifice.

Finally, a huge Thank you as always to Cynthia Barnes who seems to appear just at the right time to take a photo, or always have one I need for an event we missed. This book could not be done without you. To the readers, enjoy and remember....RESPECT.
